Reports To:	Residential Manager
Contract:	Fixed Term 12 Month Maternity Cover
Hours:	37.5 hours per week plus sleep ins
Salary:	Starting Salary £19080.75 per annum dependent on qualifications and experience
Purpose of Job:	To undertake a wide range of duties which will involve direct and indirect care of young people who have complex mental health needs within Care in Mind Residential homes and various other settings e.g. school/leisure activities. To carry out multiple interventions involving the delivery of care to young people and to promote their independence ensuring continuity of care in accordance with Care in Mind policies and procedures

Main Tasks and Responsibilities:	
DUTIES	
1)	To act as a member of the team and assist the management staff in giving the highest standard of care possible to all the young people, closely following individual care plans and programmes.
2)	To understand the importance of the need for confidentiality in all client matters.
3)	To assist in creating a safe, clean and secure environment for all young people, relatives and colleagues.
4)	To act as a role model in conjunction with colleagues to ensure you and the teams welfare.
5)	To take overall responsibility in conjunction with the Deputy and Registered Manager in ensuring the running of the home is to its highest possible standard
6)	To assist in the co-ordination of shifts, allocating young people supervision and prioritising care.
7)	To work in a variety of settings if needed, in order to support the young people e.g. within their home and educational environments and on activities.
8)	To develop skills in order that the young people's individual health/social development needs are met.
9)	To provide support, advice and information to the young people, parents and other carers as required.
10)	To transport and/or escort the young people as required
11)	Once trained to provide and carry out clinical duties necessary to meet the young people's health needs on a daily basis.
12)	To have regard for others feelings and not to create low moral with negative communications. To display a positive approach in the way you work
13)	To adhere to the activities programme to ensure the young people receive a variety of daily stimulation and development.
14)	To be aware of and adhere to each young person's aims and objectives to ensure individual development.
15)	Accountable for petty cash while on duty and adhere to company policy and

care in mind:

procedure
16) To hold a good understanding of therapeutic risk, and the unique model and ethos of the organisation and communicate this with the team with enthusiasm.
17) To undertake any other duties reasonably requested by Care in Mind Management
COMMUNICATIONS
1) Complete clearly written, accurate, contemporaneous records of involvement with young people and their families; in addition ensure all other young peoples documentation is completed before the end of the shift
2) Report any unusual occurrence in the young person's condition or behaviour to a senior member.
3) Answer the telephone in a polite, professional manner, where possible dealing with queries, otherwise leaving a clear, documented message for management.
4) Ensures diaries, daily log, memo and handover files are checked, completed and adhered to, delegating responsibilities where necessary.
5) Take part in and ensure thorough client handover takes place ensuring client confidentiality at all times.
6) To work in conjunction with the key workers and management in evaluating ongoing care needs and young person development.
7) To conduct supervision with Support Workers ensure documentation is completed and reporting any concerns to management.
8) To be aware of the emotional, psychological and social needs of the young people
9) To demonstrate empathy and sensitivity to others that is non-judgemental and shows respect for their beliefs, values and culture.
